

Welcome to Roadstar

• At the beginning of 1960s, Roadstar was one of the important leader trademarks in cars' Auto-Reverse radio-cassette; and registered, in that time, the most selling scales.

• Now, over again, Road Star returned to sparkle in the markets, and to bring down to the field new and distinguished sorts.

• Roadstar is characterized by keeping pace with the international trademarks, and by caring about the perfect quality in for its insistent clients' satisfaction.

• The company had always been distinguished in Car Audio system in all its branches around all over the world: South America, China and The Middle East. Recently, in addition to its marvelous types of goods in Lebanon, the Company brought down to the Lebanese market: Aircon-AC, LCD and TV.

You are most welcomed in visiting our site, and we would like you to know that we are always working and looking forward to satisfy your high and sharp taste.
